Salisbury Cruise Club
Greek Isles Cruise - October 2023
Group Excursions

As an alternative to the Norwegian Cruise Line (NCL) excursions, the *Salisbury Cruise Club* has made arrangements for special group excursions in each port. We believe that these excursions offer much the same, if not more than similar tours offered by NCL, at a discounted price and with the people you know. However, given that each balcony and ocean view cabin receives a \$50 excursion credit in each port to be used towards excursions booked through NCL during our cruise (that's one \$50 credit per cabin per port - so up to \$300 per cabin if you redeem your credit in each port), the net prices for excursions offered by NCL are a little more affordable and we won't be offended if you opt to book with NCL rather than booking our Group Excursions in some ports. Details will be reviewed at our meeting on Thursday, June 8, 2023. If you are interested in any of the *Salisbury Cruise Club* group excursions, **please send in your registration as soon as possible**, since **space is limited**. Please return the reservation form by email or US Mail **no later than Thursday, June 15, 2023** so I can confirm our reservations with the tour providers.

Salisbury Cruise Club
Greek Isles Cruise - October 2023
Group Excursions

Tickets and Instructions - Tickets for each of the excursions that you have registered for will be provided to you at our meeting on Thursday, September 28 at 7:00 pm along with your cruise documents and other information about our cruise. In addition, at that time you will receive detailed instructions on when and where to meet on the pier in each port of call. You will also receive a few tips on what to expect and how to prepare for each excursion. Any last minute changes and/or reminders about our excursion for the next day will typically be provided to the group each night for those joining us at dinner in the main restaurant.

Salisbury Cruise Club
Greek Isles Cruise - October 2023
Group Excursions

Responsibility and Liability - These group excursions have been arranged by the *Salisbury Cruise Club* as a convenience to our group members. These excursions are provided by independent tour operators and the *Salisbury Cruise Club* and its officers and agents will not be responsible or liable for any loss, damage, injury, costs or delays resulting from, or in conjunction with, your use of these services. **By registering for these excursions, you assume such responsibility and liability in conjunction with your participation in these tours and agree that neither the *Salisbury Cruise Club* nor its officers or agents are liable for any loss, damages, injuries, costs or delays.**

Tour Protection Insurance - Because we have booked these group excursions with independent tour operators, they must be paid in advance and are therefore **non-refundable**. Since everyone in our group has already purchased the Comprehensive Trip Protection Policy, we recommend that you consider purchasing an add-on policy, subject to the same terms and conditions for trip cancellation and trip interruption, to cover the cost of your excursions should you need to cancel. The add-on policy costs \$50 per person and can be added to your total excursion payment.

Tour Time – 10:30 am to 3:00 pm (4.5 hrs)

Tour Cost – **\$50**

- Today we visit the beach for a relaxing start to our Greek Isles cruise. Board our deluxe air-conditioned bus for a 45-minute drive from the cruise ship pier to Faliraki Beach on the northeast coast of Rhodes. Enjoy the panoramic view of the city of Rhodes as we pass by the Palace of the Grand Master of the Knights, Mandraki Port, and Monte Smith (the Acropolis of Rhodes) on our journey south to the beach. Please note that there will be sufficient time after our tour to further explore the City of Rhodes and the many shops and cafes before you return to the ship.

Rhodes, Greece

A Day at the Beach in Rhodes

Tour Time – 10:30 am to 3:00 pm (4.5 hrs)

Tour Cost – **\$50**

- We plan to arrive at Faliraki Beach by 11:15 am where we will have 3-hours to enjoy the sun, take a swim in the Mediterranean Sea, snorkel, or enjoy some of the other activities available. This three-mile stretch of coastline will welcome you to its golden sands with well-maintained amenities and charming Greek hospitality. There are sunbeds aplenty, with beach bars, cafes, and restaurants along the length of the beach. The calm, clear waters stay shallow a long way out, perfect for swimming and snorkeling (although don't expect to see much coral or colorful fish in the Mediterranean Sea).

There's also a nearby restaurant if you wish to purchase lunch or perhaps a snack or drinks while you enjoy your relaxing day at the beach.

A Day at the Beach in Rhodes

Tour Time – 10:30 am to 3:00 pm (4.5 hrs)

Tour Cost – \$50

- We plan to leave the beach by 2:20 pm to return to the ship by 3:00 pm so you will have plenty of time for shopping and exploration before all aboard at 6:00 pm. The ship will be docked just outside the walled entrance to the city of Rhodes, so you can either head straight to the city, or you can board the ship to change into more comfortable dry clothes for your stroll through the city. Either way, we highly recommend spending at least an hour in the city of Rhodes as the shopping and cafes were lively and plentiful when we visited in September 2021.

The original palace was built around 2,000 B.C., and after being destroyed by an earthquake, was replaced with a more complex one, which strongly resembled a labyrinth. We will enjoy a guided tour of the Palace of Knossos, including: the West Court, which may have been a marketplace or the site of public gatherings; the South Propylaion, where you can admire the Cup Bearer Fresco; the Piano Nobile, where the reception and staterooms were located and where giant pithoi (clay jars) once held oil, wine and other staples.

After our wine tasting we will return to Fira to explore at our leisure. Here you will find intriguing alleys filled with shops of all sorts, including one that offers fish pedicures which involves dipping your feet into a basin of water filled with Garra rufa fish that eat the dead skin revealing smooth, callous-free skin, and cleaner-looking cuticles. Trust me, I'm not making this up. After your final shopping (and perhaps with your refreshed feet), you can take the funicular down to the pier where the tenders will be waiting to take you back to the ship.
