11-Day Europe's Rivers & Castles Cruise 2028

Sunday, April 29 through Thursday, May 11, 2028 with AmaWaterways

We are pleased to announce our next cruise with AmaWaterways in 2028. On each of our cruises with AmaWaterways, I always ask the staff to tell me their favorite itinerary. And the most recent response has been "**The Moselle River**" with it's steep, scenic vineyard valleys and rich Roman history, fairytale medieval castles and a unique shared border between Germany and Luxembourg. As a result, we have booked space on AmaWaterways **Europe's Rivers & Castles Cruise**, with a 3-night pre-cruise tour of **Prague, Czech Republic** and a 7-night cruise from Nuremburg, **Germany** along the Main River, to the Rhine River (featuring the stunning

10-Day Circle Island Tour of Iceland - July 2028

July 2028 with Our Partners at Target Travel

We often ask our members where it is that they'd like to travel next and one of the consistent responses is often Iceland. So Tracy and I are planning a trip to Iceland in the summer of 2027 with our 2025 Tour of Italy Manager Tony DiGuida and his girlfriend Nadia Lugeni to scope out the best possible 10-day itinerary for our group tour in July 2028. So while we won't have itinerary or pricing details to share or the opportunity to register for this tour until perhaps this time next year (Fall 2027), we encourage you to request to be added to the Interested Passengers List by clicking on this link - [Tour of Iceland Interest List](#) - so we can keep you apprised of our plans for the Tour of Iceland and so you will be among the first to have an opportunity to book this tour when we open for registrations. But for now, here is a bit more about what we are thinking.

We plan to visit Iceland with the *Salisbury Cruise Club* in July 2028 to experience this dramatic "**land of ice and fire**", featuring active volcanoes, massive glaciers, and world-class natural wonders, including geothermal pools and waterfalls. We will relax in mineral-rich hot springs like the Blue Lagoon. Marvel at powerful cascading waterfalls like Gullfoss and witness

although almost all of our tours will be during the day. We will walk on black sand beaches or perhaps snorkel between tectonic plates at Thingvellir National Park. And for you wildlife lovers, we will spot puffins along coastal cliffs and perhaps join a whale-watching tour off the northern coast among other wildlife encounters.

Our plan is to stay 3-nights each in 3 different strategically located hotels throughout Iceland so we can arrange day tours from each hotel and so we won't have to pack and unpack so often. Our tour will follow the Golden Circle near Reykjavík and also a good bit of the famous Ring Road. Although given the limited accommodations in the northern part of Iceland, we may not travel all the way around the Ring Road. But that's what Tracy and I will learn during our visit in 2027. Our Total Package Price will include bus transportation from Salisbury, round trip air fare to Reykjavík, and a total of 9-nights hotel in 3 strategically located areas of Iceland with daily breakfast and daily tours.

12-Day Fiji Cruise & New Zealand Tour - September 2028

September 2028 with Blue Lagoon Cruises

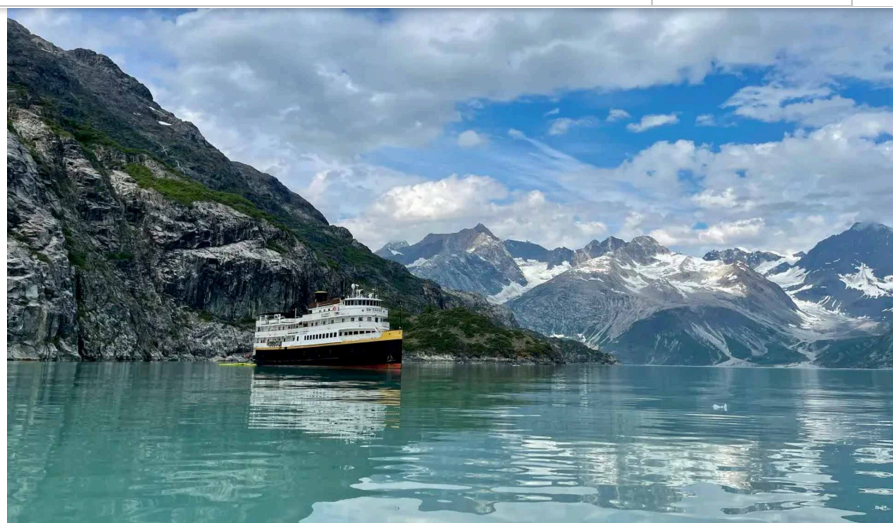

As a fan of the reality show Survivor, Tracy and I have often wanted to visit the beautiful white sand beaches and pristine aqua blue waters of Fiji where Survivor has been filmed over the past 10 years since Season 33 (Millennials

[Subscribe](#)[Past Issues](#)[Translate ▼](#)[RSS](#)

not just visiting for ourselves - we're also checking out **Blue Lagoon Cruises** to see if they will be a good fit for a group cruise. Tracy and I are cruising aboard the MV Yasawa Princess on an abbreviated 4-night cruise while Colleen and Sal Chavez are exploring the Auckland, New Zealand area to help scope out our hotel and tours for the group in 2028. If all goes well, we plan to book a **Full Ship Charter** (only 22 cabins available) in September 2028 for up to 44 *Salisbury Cruise Club* members. Our 2028 trip will include transportation from Salisbury to Washington-Dulles Airport for round trip flights on Air New Zealand (one of our favorite airlines) from the east coast to the west coast and then onward to Auckland, New Zealand for our 3-night pre-cruise stay with daily breakfast and a daily tour. We then fly to Fiji for our 7-night luxurious cruise among the islands of Fiji including: Modriki Island, Malama Beach Club, Soso Bay, Naukacuvu Island, Yalobi Bay, Blue Lagoon, Sawa-I-Lau, and Drawaqa Island. Our cruise will feature air-conditioned cabin accommodations with en-suite facilities, all meals, scheduled excursions, and a variety of onboard activities and drinks. Activities and excursions include: Guided island walks, village visits, kava ceremonies, and entrance fees for local attractions like the Sawa-i-Lau Caves; Complimentary use of snorkeling gear, plus kayaks and paddleboards at select stops like Nanuya Lailai; and Traditional Fijian cultural entertainment and performances by the crew. Given all that is included with this luxurious cruise and tour, we are anticipating Total Package Pricing in the range of \$10,000 per person double occupancy. But we are still putting together the pieces of this cruise and tour to determine a more accurate price.

We will have more details and information to share with Interested Passengers after we return. So if If this cruise and tour sounds interesting to you, please email me by clicking on this link - [Fiji Cruise & New Zealand Tour Interest List](#) - to be added to the Interested Passengers List so you can learn more about our cruise in 2028 and to be among the first to have an opportunity to register to be among an exclusive group of 44 *Salisbury Cruise Club* members on this luxurious cruise and tour.

Alaska UnCruise Adventure

Glacier Bay Adventure Cruise
Saturday, May 29 - Monday, June 7, 2027 on
UnCruise Adventures Wilderness Adventurer

Tracy and I have been blessed to visit Alaska on several cruises over the years since our first Alaska Cruise in 2004. **There is simply nothing like an Alaska Cruise** to experience all of God's Glory displayed in one place. From the majestic snow-capped mountains and towering glaciers, to the abundant wildlife including humpback whales, brown bears, seals and sea lions and soaring eagles, Alaska is simply breathtaking. **But we've never experienced Alaska as up-close-and-personal as an UnCruise Adventure will allow.** UnCruise Adventures offers small ships sailing out of **Juneau, Alaska** that can explore so much more of Alaska getting us as close as possible to the highlights. For example on a big ship, you may see whales in the distance while cruising, but you are 150 feet off the water and a mile away. On an UnCruise Adventure, when our captain spots a whale, he will get us as close as possible and cut the engine to let us enjoy the show. Likewise, while the big ships can enter Glacier Bay for a day and view the glaciers from a distance, our ship will spend **2 full days in Glacier Bay** where we will have an opportunity to paddle our kayaks out to touch a glacier and take a short hike in one of the most beautiful and awe-inspiring places I've ever visited. And since our cruise embarks from Juneau, Alaska we begin and end our adventure right in the middle of the action for **a full 7-days of adventure** with no days at sea cruising to and from Alaska from Canada.

We have booked a **Full Ship Charter** with UnCruise Adventures on their 30-cabin **Wilderness Adventurer** and we have a great group of 55 *Salisbury Cruise Club* members joining us on this cruise. **Total Package Pricing starts at \$6,900 per person** double occupancy in Navigator Cabins (on Deck

[Subscribe](#)[Past Issues](#)[Translate ▼](#)[RSS](#)

UnCruise Adventure package includes transportation from Salisbury to Washington-Dulles International Airport (IAD), round trip flights to Juneau, Alaska, 1-night pre-cruise stay in Juneau followed by our **7-day all-inclusive adventure** on the Wilderness Adventurer including all meals, alcoholic and non-alcoholic beverages, excursions, activities, taxes and port charges. UnCruise Adventures also supplies kayaks, paddleboards, inflatable skiffs, hiking poles, snorkel gear/wetsuits, an on-deck hot tub, fitness equipment and yoga mats. So while the big ship cruise fare may be a little lower, once you add the extra charges for your excursions, personalized wildlife viewing, drink package, specialty dining, gear rentals and activities onshore, the price for our Adventure cruise is comparable and significantly more immersive than a big ship cruise. **If you really want to experience Alaska, our Alaskan UnCruise Adventure is the way to go.** But we do understand that this cruise is not for everyone. UnCruise Adventures suggests that you should be able to comfortably walk distances of at least 1/2 mile at a time and that you have a certain level of agility when boarding the boats, kayaks, motorized skiffs, or hiking over exposed vegetation and rocks on trails.

The **Wilderness Adventurer** is 160 feet long and 39 feet wide, with 30 cabins to accommodate a maximum of 59 passengers, with a crew of 20 (3:1 ratio). Our ship has a lounge, dining area, covered patio deck, an open bow for up-close viewing, and a kayak launch platform. While the cabins are cozy, they are private and each have a bathroom/toilet room (toiletries and hair dryer provided), a sink just outside the bathroom door as well as either two twin beds or a queen bed (the room can be made up for couples or singles), a TV/DVD player, nightstand, and a large window for viewing the scenery from your cabin. But honestly, we will more likely spend most of the daylight hours on deck enjoying the scenery and wildlife, or on shore hiking and exploring, or perhaps on the water kayaking or paddle boarding. You can check out the ships' [Deck Plan here](#).

Our **7-day Glacier Bay Adventure Cruise with 2-Days in Glacier Bay** itinerary will include adventures in **Juneau, Icy Strait or Neka Bay** to watch the sea lions play or take a forest hike, **Glacier Bay National Park** (2-days) to watch for bears, humpbacks and maybe even a wolf, go for a hike or a paddle or touch a glacier, **Chichagof Island** for a hike to see the giant trees and tidal pools and maybe even see a bear in the distance, **Frederick Sound** for whale watching and maybe also a few sea lions, and **Tracy Arm & Sawyer Glaciers** where the fjord cliffs reach skyward, where harbor seal pups lounge on the chunks of ice and where you'll see towering waterfalls and maybe even catch a glimpse of a mountain goat. You can click here to check out the [Itinerary Map and Details](#).

While this cruise is currently **Sold Out** with 8 members on the Wait List, if you are interested, please email me by clicking on this link - [Alaska UnCruise Adventure Wait List](#) - to be added to the Wait List so we can contact you if we

Once we board the AmaDante, we will settle in and get ready for our fabulous 7-night cruise along the **Seine River from Le Havre to Paris**, France visiting **Honfleur, Bayeux, Caen, Caudebec-en-Caux, Rouen, Vernon, Giverny, La Roche-Guyon, Mantes-la-Jolie**, before our arrival in Paris. During our 7-night cruise we will discover sites memorialized by famous Impressionist painters along France's Seine River and the most renowned sites in Paris. Meander through the renowned Gardens d'Acquigny and visit **Monet's home and gardens** in Giverny. Indulge in Norman chocolate, cheese and cider and enhance your best self on guided bike tours through charming cities like Le Havre and Rouen. We will enjoy gourmet meals on the ship and daily tours (typically a choice of 2 to 4 tours each day) included at no extra cost. There's also a nightly Sip and Sail Cocktail Party before dinner followed by live entertainment in the lounge onboard the ship. With fairytale castles, châteaux and idyllic scenery at every turn, this cruise is sure to inspire your own art – or at least conjure beautiful memories and dreams for years to come!

Following our 7-night cruise, we will spend an **additional 2 nights in a centrally-located Paris hotel** where we will fully experience Paris before returning home. A world stage for art, fashion, gastronomy, culture and much more, the "City of Light" has a story to tell at every corner. Before transferring to our hotel, we will explore the **Atelier des Lumières, Paris's "Workshop of Lights,"** a uniquely immersive digital art experience. Here we will be treated to an unforgettable colorful multimedia exhibition, utilizing 140 video
