

Salisbury Cruise Club Cruises and Tours Coming Soon

10-day Tour of Italy - Saturday, September 27 to Tuesday, October 7, 2025, or Wednesday, October 8 to Saturday, October 18, 2025 - We have now locked in 3 exceptional hotels in Italy including the Hotel La Medusa near Naples, Relais Cortefreda in Tuscany near Florence, and Hotel A.Roma in Rome and we are putting the finishing touches on all of the daily tours and itinerary for our 10-Day Tour of Italy 2025. In order to plan the most authentic experience in Italy featuring these boutique hotels and quaint local restaurants, we are arranging for two departures with a maximum of 50 passengers on each tour. Our first 10-Day Tour of Italy will depart on Saturday, September 27 and return on Tuesday, October 7, 2025 while our second 10-Day Tour of Italy will depart on Wednesday, October 8 and return on Saturday, October 18, 2025. Both tours will be identical land-based tours featuring three of my favorite Italian cities - Florence and Tuscany, Rome, the capital city of Italy and the Lazio region, and Naples and the Pompeii area. Join the Salisbury Cruise Club for a fully-escorted tour of Italy as we will fly in and out of Rome and stay 3 nights each in the luxury hotels referenced above. While in the Naples area, we will be planning to visit Pompeii, the Isle of Capri and the Amalfi Coast. We then head north to Florence and the Tuscany Area. Florence is still my favorite city in the world and features several spectacular museums, incredible architecture, delicious food and wine, and wonderful people. But in addition to Florence, we will also visit several nearby villages in Tuscany including Siena, San Gimignano, and Orvieto where we are sure to sample some incredible Italian wines and enjoy fresh olive oil from the fall harvest. And then finally it's off to Rome - the center of it all with the famous Coliseum, ancient Roman ruins, ornate fountains, and of course Vatican City and the awe-inspiring Sistine Chapel. It's a tour that you won't want to miss! Exact pricing and details will be provided by August 2024, but preliminary pricing is looking like around \$6,700 per person. Your Total Package Price will include: round trip bus transportation from Salisbury and flights to Rome, and a complete program in Italy including: our hotels, daily transportation, guided tours and entrance fees, daily breakfast and dinner and a few lunches too (with the other days free to have lunch on your own during our free time between tours). I am pleased to report that our favorite Italian, Roberto Apolloni, will be our Tour Manager for both groups and we will also have local guides each day who are subject matter experts on the places we will visit. And of course your Salisbury Cruise Club hosts - Kelly and Tracy Shannahan for both tours, plus Phil and Jodi Thompson on Tour 1 and Sal and Colleen Chavez on Tour 2, will be with you from start to finish on your tour to watch over the group and take care of any details which may arise. If you are interested, please email me at - salisburycruiseclub@gmail.com - so I can add you to the Interested Passengers List and I will send you more information and an opportunity to register in August 2024. As mentioned previously, our cruises and tours often sell out quickly so being included on the Interested Passengers List will ensure that you have an opportunity to register while space is still available. That is especially true for this tour as we currently have 246 members on the Interest List and we only have space for 100.
